

The Chris Kyle Squadron 388 Midlothian Texas has been involved in Three Flag Retirement programs during 2016.

First was Legion Birthday, Second was Flag Day, Third was Veterans Day. This has been a joint effort with VFW Post 3894 Waxahachie Texas, The North Texas Council of Girl Scouts Honor Guard, Combat Veterans Motorcycle riders, The American Legion, Auxiliary, & Legion Riders of Post 388. The Waxahachie Fire Department has always had a presence to help out.

Each program has retired an average of 70 flags each time done with honor and respect. Our group has become the go to group to properly retire Garrison size Flags which have flown over local car dealerships. We plan to continue to have three programs a year.

The attached picture is a 48 star flag. The Legion Rider was old enough to have served under a 48 star flag.

For God & Country
