

See the below message from Stacy Cope, Youth Well-Being Program Manager

I've attached the latest CWF Crosstabs report for your review.

(Note: I am unable to change "Welfare" to "Well-being" on the crosstabs report. The software platform does not provide the option to update the name.)

With just over 60 days until the end of the 2025-2026 CWF program year, I encourage you to submit your CWF 100% Per Capita Banner now. The CWF Per Capita Banner form can be found on the [Youth Support Publications](#) page.

A reminder about the end-of-program-year donation: since May 31st falls on a weekend, donations received after that date will count for the 2026-2027 CWF program year. Those posts, units, squadrons, chapters, departments, and detachments mailing donations must ensure they arrive at National Headquarters by Friday, May 29, 2026. Online donations may be made at [Donate Online](#) through May 31, 2026.

Thank you,

**VETERANS STRENGTHENING
AMERICA**
