

SONS OF THE AMERICAN LEGION DETACHMENT OF TEXAS AMERICANISM COMMITTEE

Thank you for your interest in participating in our "Flying Flags for Heroes Program."

Flying Flags for Heroes is a nationwide effort to place American flags on the graves of veterans in local cemeteries.

The program evolved into a national initiative from a local non-profit started by Preston Sharp, an SAL member from California.

Past national commander Michael Fox teamed up with Sharp to expand the effort. They aimed to place one million flags on veterans' graves to show respect for their sacrifices. The initial goal was met in 2022.

This program continues and aims to promote patriotism and national pride within communities by honoring military service and veterans.

We have Only 3 requirements to receive 200 ea. flags and get any additional flags in the future.

1. Name and address of the cemetery where flags are being placed.
2. Take and provide pictures of the event.
3. Send a written account of the event including who helped, the date of the event and how many flags were placed.

Please send the above requested items to: broncosanantonio@yahoo.com or 883 Marion, rd. Marion, Texas 78124
