

Aye Brethren of the coast,

We remain under full sail with the wind at our backs.

The South remains in the lead with 99.69% arghhhh we be so close to 100% I can taste the gunpowder in the air. Blackbeard - Butch Ray of the Central Region that scurvy dog is 2 points behind. Bootstrap - Robert Manzo and Davy Jones - Mike Monserud are battling with the rear admiral. Rear Admiral Kid Tater Tot - Dan Ashley, of the Western region working hard to get his crew to raise the sails but there be some issues.

We only have 10 weeks until the national convention and the end of our voyage is near. Let's get past 100% before we sail into the exotic port of Tampa. Aye keeps up the fight and beware as the other captains are sly devils. Keep chasing those scalawags who have not renewed.

Aye South Carolina is still #1 in the SE Region and #3 in the nation, keeps up the good work. Thank you!! Mississippi, Florida and Virginia are also above 100%

We still have 4 of the top 10 detachments in membership.

Our next region call will be Jun 10, 2025 07:00 PM CDT see the link below.

I've attached [a Florida pre-order form for pins and coins](#).
