

Gentlemen, I've attached several documents for your review. We are now five weeks into the year, yet a significant number of members nationwide have not yet renewed for 2026. Please reach out to these individuals to emphasize the importance of paying their dues. Timely payment ensures they remain in "Good Standing" and provides vital funding for our various programs. Additionally, the Squadron Data Reports will be arriving shortly. This report is critical, as it provides National with updated squadron dues, meeting schedules, and contact information. Please ensure this reaches your squadron leadership. Thank you for everything you do !
