

Good Evening, Team South-

Your hard work and resiliency continue to pay off. We are a resilient region.

Nationally, we picked up 10,368 Members over the previous report. Nationally we are at 57.32%. We need an estimated 10,948 members to reach the 60% Target for January.

The Southeastern Region returned to lead the nation regionally with a slim .2% lead over the 'Mighty Midwest' in this friendly competition among the regions.

Louisiana (3rd place) and South Carolina (7th place) represent the Southeastern Region in the Top 10. Alabama (12th place), North Carolina (13th place), Florida (18th place), and Georgia (20th place) wrap up the Southeastern Region in the Top 20 in the nation.

Louisiana maintains its lead in the Southeastern Region. It is extremely important to note that **ALL** of the Southeastern Region Detachments are over 50% in Membership. We are the only region with that distinction on this report.

As of today, there are 14 days remaining for members to renew their dues. Please contact all of those who have not renewed to ask them to renew as soon as possible, so that their membership does not expire on January 1.

We need all of our members to continue our support of our Veterans, Children and Communities. Our membership preserves and promotes the legacy of those who we joined under when we became Sons Members. As we look to the 250th anniversary of our country, we need to promote that legacy. We cannot promote that priceless legacy without you!!

If you have not renewed today, please do so as soon as possible.

Thanks for all you do to support the membership and programs of the Sons of The American Legion.

Lets Be The One to 'Be The Change' in the lives of our Veterans, Children, and Communities.
