

Team South-

LET'S SHARE SOME IDEAS!

Great ideas are meant to be shared!

Across the country, Sons of The American Legion squadrons are doing some incredible things. But here's a question...

How many great ideas never make it beyond the walls of the squadron where they started?

Maybe your squadron has a successful fundraiser, a creative way to involve younger members, a unique community service project, or a tradition that keeps members coming back.

Whatever it is, LET'S HEAR ABOUT IT!

Here's the challenge:

Share ONE idea, activity, or program your squadron has tried that another squadron might benefit from.

It doesn't have to be expensive, complicated, or something that raises thousands of dollars. Sometimes the simplest ideas make the biggest difference!

HOW TO SHARE YOUR IDEAS:

Send your ideas directly to our Southeastern Region National Vice Commander – George Gray at ggray4103@aol.com and myself at SonsVADetADJ@comcast.net.

Feel free to include pictures, a brief description, and what made your activity successful.

Please share with your Districts and Squadrons.

The goal is simple: exchange ideas, learn from one another, and find new ways to strengthen our squadrons and the communities we serve.

One squadron's idea could inspire another squadron's next great activity!

2026 membership cards expire December 31st! Don't become delinquent! Renew now!
