

Midwest Leaders,

97.90% that would make us 606 members short of 100%. I know it can be done. 2 regions have already hit 100%+. There is not much left to say that hasn't already been said. You all know what needs done to get those last 606 renewals. You sure as heck don't need me or anyone else harping about membership. Let's just go get them. Some are just waiting for that personal contact from someone at your squadrons. Please, let's get this done.

Remember, you CAN make a difference
