Smoke, Smiles, and Support: Honoring Veterans at the 14th Annual Camp Hope BBQ

This past November, the community came together once again to support America's Veterans at the 14th Annual Camp Hope BBQ, hosted by Grateful Americans Charity at the Sam Houston Race Park. Thousands of supporters, families, sponsors, and volunteers joined a full day of food, activities, and celebration, all in support of the PTSD Foundation of America and Camp Hope.

Over 50 BBQ teams, including Veterans, law enforcement, first responders, and community groups, showcased their skills, serving everything from brisket and ribs to sides and desserts. The Houston Diesels Car Show, along with a vibrant Kids Zone sponsored by Crowned Eagle Construction, added excitement and fun for all ages.

The event was made possible by generous sponsors, including Greystar, Genixo, KBR, H-E-B Operation Appreciation, Hunt & Hunt, Waste Connections, and many others. Their support directly benefits veterans and their families through Camp Hope's PTSD recovery program.

From cook teams to sponsors, volunteers to attendees, thank you for your dedication and generosity. Events like this remind us of the power of community in bringing hope, healing, and honor to those who served.

We can't thank you enough, and we look forward to next year's 15th Annual BBQ.
